

Specialist Brokers and Underwriters for **Charities** and **Social Enterprises**

Changing with the Sector

“The **CaSE Insurance** partnership was set up in 2006 because we felt that too many charities and social enterprises were paying too much for their insurance and/or didn’t have the right cover in place.

The **CaSE Insurance** partnership has worked superbly and now provides cover to over 1,000 charities and social enterprises and more than 160,000 community voluntary organisations. Our impact has been far beyond that as in many cases, our competitive quotation has been used by a charity to reduce an incumbent broker’s premium.

Continuing our strong partnership with aQmen Ltd, a founding CaSE partner and the FSA regulated provider of its insurance, we have jointly set up CaSE Insurance Services Ltd (CISL) This organisation will take on the CaSE Insurance mantle and move us on to the next level in terms of cover and client care.

“**CaSE Insurance**” will also become the brand used for the all new policy wording written especially for CaSE by aQmen Ltd. This change will make it easier for charities that want to retain their broker but also access CaSE’s competitive cover.

We know CaSE has worked wonderfully well and we hope you will give us the opportunity to review your cover in the near future.

If you are a charity or a social enterprise we will review your current cover and see if we can improve the cover and/or reduce your premium.

It is easy to do; just call us and talk to Elaine, Liz, Pete or Sarah. They will guide you through the process and get the information we need. And then they’ll let you have our feedback on the cover you have together with an indication of the premium we would charge.

Becoming a client is just as painless - and then you can benefit from...

Our Comprehensive Cover

We are launching a new wording reflecting the experience gained over the past five years. Most charities will now be able to benefit from a single policy covering all their needs. This policy is insured by Brit Insurance, with whom we have worked in partnership since CaSE Insurance was first founded.

Or we can support your broker...

Our partner aQmen Ltd has developed an exclusive charity policy wording with Brit Insurance (current sponsors of the English Cricket team).

Brit have also agreed with aQmen a unique rating tariff that recognises that charities have a lower level of claims than commercial businesses.

Brit have given aQmen “underwriting authority” to write insurance on their behalf. This helps us turn round quotations quickly and efficiently.

Taken as a whole this package makes an exclusive, very competitive offering to charities - but also one that we are able to offer via brokers.

So if you like your broker but also like CaSE Insurance, you can now have both!
Just ask your broker to call us.
