Details of intended use

Our organisation agrees that, without NCVO's express prior written consent to the contrary:

- We **will** explicitly acknowledge the source of each document we use, for example by including the address or link for www.askNCVO.org.uk on each document.
- We **will not** use any document for commercial gain, or as part of a project for commercial gain.
- We **will not** edit any document except where permission is explicitly stated on the document.
- We **will not** republish, retransmit, redistribute or otherwise make other material from askNCVO available on any website, on-line service or bulletin board or make the same available in any other media.
- Copyright is retained by NCVO.
